Coronavirus
COVID-19

Dear Parents,

We know that these are challenging times and to make purchasing your uniforms as safe as possible for both you and our staff, you can choose how to shop to best suit your needs:

- Customers can phone, email or direct message with a **list of uniforms to purchase and pay over the phone**. Our staff members will have your uniforms ready for collection at a time that suits you.
- **Appointments are available by request**, simply phone, email or direct message to book a time that suits you.
- Customers should plan to **purchase uniforms from the beginning of June**.
- Sizes can be exchanged towards the end of the Summer if needed.
- We politely request that **only one guardian accompany their children** for fittings.
- For updated factual information about Covid-19 please visit **www.hse.ie**.
